TIOT 1998

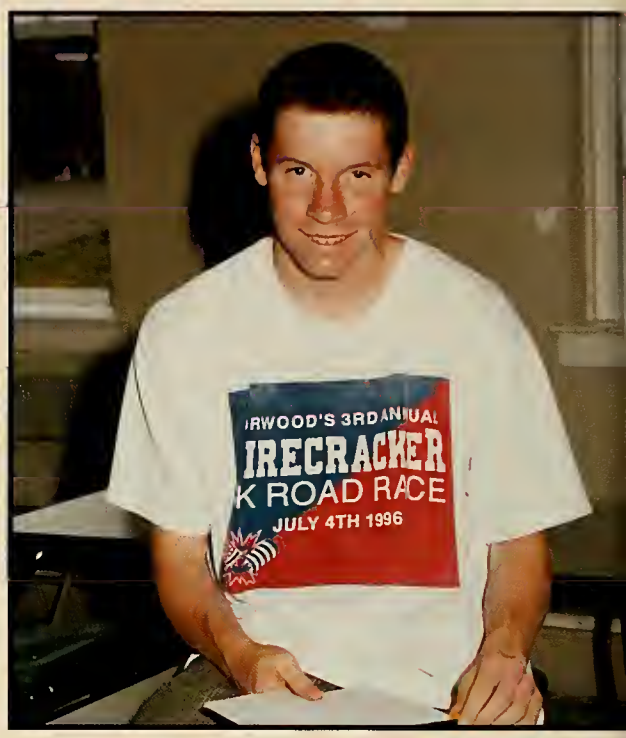
Norwood Senior
High School
Norwood, Massachusetts
Volume 60

There are places I remember, all my life, though some have changed.

Some forever, not for better, some have gone, and some remain.

All these places have their moments, with lovers and friends I still can recall.

Some are dead and some are living; in my life, I've loved them all.



But of all these friends and lovers, there is no one compares with you, and

these memories lose their meaning when I think of love as something new.

I know I'll often stop and think about them; in my life, I love you more.

"She LIKES me!!"

I LOVE those earrings!!

Is that a chest hair?

Just in case Mary Jane forgets her name.

Maybe if we stare at it long enough it will go on automatically."

Miss Dunn's reaction when asked if the Girls' soccer team would have a winning season.

Pleeeeease let me
remember this next cheer!

"Pick me!!"

Dedicated to the Memory of Our Friend, Tom Hynes

The class of 1998 would like to dedicate this year's TIOT to the memory of Thomas J. Hynes. Tommy touched the lives of all he came in contact with because he was such a friendly and fun-loving person. He attended St. Catherine of Siena School until sixth grade, when he made the transition to public school. At the Junior High, Tommy made many new friends. He was also well-liked by the faculty. After school, he enjoyed playing pop-warner football.

Unfortunately, on April 8, 1994, Tommy was struck by a car while crossing Route 1 and was fatally injured. He is remembered as a loving and caring friend. Tommy may have left us four long years ago, but his spirit will stay with each and every one of us always.

Officers

Jay Johnson - Vice President, Chris Roth - President, Pat Vardaro - Treasurer, and Adrian Burke - Secretary

Under the guidance of Mr. Powell, the NHS Student Council has enjoyed a year of unprecedented success. However, this success could not have happened without the efforts of the devoted senior members and the leadership and dedication of President Chris Roth, Vice President Jay "Duke" Johnson, Secretary Adrian Burke, and Treasurer Pat Vardaro. Spearheaded by the officers, the Student Council has engaged in many charitable school and community services. In particular, the Student Council's efforts to change the tardy policy and improve the quality of the school's lavatories should not go unnoticed. Whether it be collecting overcoats for the Boston Coalition for the Homeless gathering food for the Norwood Food Pantry, or organizing the Gifts for the Elderly campaign for the elderly residents of our town, the dedicated Student Council members donate their money, time and effort for the betterment of the community. Also, the Student Council has helped to raise several thousand dollars for different scholarships including the Kevin McNulty Scholarship Fund. The officers particularly thank this year's members from the Class of 1998 for all their efforts and wish next year's group the very best of luck.

The Norwood drama club, dubbed Upstage Theater began meeting officially this year. Its introduction int o the fast paced world of High School Club activity has been the hope of many students for years at the high school. We had a formidable beginning last year producing four full-scale productions including the original musical ***Sheep*** over the summer. There have always been a mysterious band of extraverts, artists and the technically inclined who have wanted to do vital, exciting, and entertaining theater regularly in Norwood. That, at this time, is the primary mission of this group. This particular gang of actors, musicians, singers, technical wizards, future directors and others again this year will have produced four full scale productions including a tour and a festival of original works generated in the class room. ***The Wizard of Oz*** adapted from the MGM motion picture is our premier endeavor. Other productions include an updated version of wild Greek comedy ***The Frogs*** by Aristophanes and an original touring show Truth's Fangs by student Jackie Dimarzio. As well as providing talent for drama productions, Upstage theater is committed to surprising the audience, entertaining the public, and making people think if even just a little bit.

School Council Representative

The School Council Representatives serve as the voice of the student body at the School Council meetings. When they attend the School Council meetings, the representatives bring up issues concerning the students of Norwood High and present them to the council. This year's representatives are Chris Roth, Joe DaSilva, and Joe Katchpole. These three students are essential in conveying the concerns and opinions of the students and they even receive a vote in the decisions of the council. These three representatives dedicate a lot of time and effort to the concerns of the student body and we would like to thank them for all their work.

Powder Puff

Seniors 18
Vs.
Juniors 12

In what was arguably the best Powder Puff football game ever, the Senior girls narrowly defeated a surprisingly strong Junior team. Kim Harris threw for two touchdowns and ran for another. Kathy Lynch was the Senior's secret weapon as she caught both of Kim Harris's touchdown passes. The Juniors were lead by Jen Chin and Meghan Barnicle, both of whom scored touchdowns. The game went into overtime, and the decisive touchdown was a Kim Harris quarterback sneak on fourth and goal from the 1 yard line. The Seniors would like to thank all who participated and wish luck to next year's Seniors.

This year's season was a roller-coaster ride full of its ups and downs. After losing a few heartbreakers, including an overtime loss to an undefeated Wellesley, the team stuck together and performed well enough to beat a tough Brookline squad and crush our Turkey Day rival Dedham. On behalf of the entire team, we would like to thank the coaching staff for all their time and hardwork, which made us better people as well as a better football team. We will alway remember Bob Harrington's singing of the Notre Dame fight song as well as Bronco's intense efforts while speaking in fror of a crowd. In closing, we would like to wish next year's team the best of luck in their quest for the Super Bowl in 1998.

Field Hockey

Nothing much was expected from this year's team, but the young team banded together to accomplish greatness. When the season ended, the Mustangs' record was 12-5-2. They were tied for second in the BSL and ceded eleventh in the south tourney. Jackie Michalos, Maria Lorusso, and Jen Chin were named all-stars, with Megan Barnicle and Marie MacIssac as second team all-stars. The first game of post-season was in Sandwich, where they managed a 1-0 win. This victory sent them on their way to Marshfield were they would move onto the semi-finals after a tough 2-1 win. This was the first time in twelve years that the Norwood field hockey team made it this far in tournament play. This year's seniors would like to thank Coach Steih, Kristin, and Al for leading us through a great season. Good luck next year!

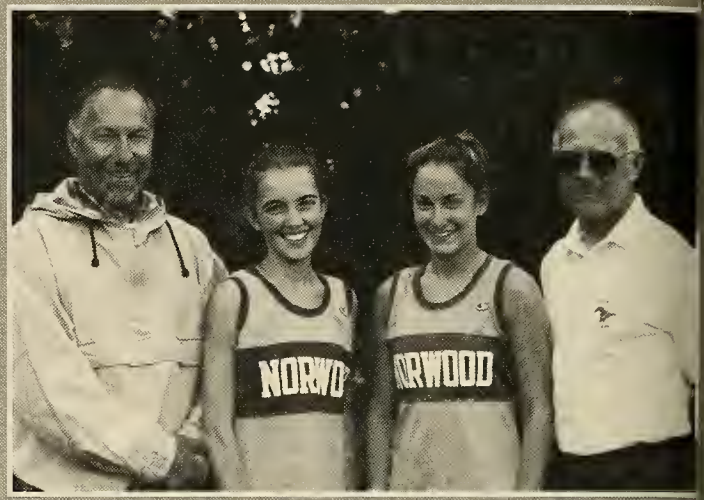
Girls' Cross Country



Coach Tom Smelstor, Captains Precillia Soares and Holly Pinette, Coach Ed Kirker

The girls' cross country team had many things to be proud of this year. We had a 7-4 record beating out strong teams such as Walpole and Dedham. The underclassmen showed great effort and talent, which helped enhance the great success of the team. This year the girls' cross country was not only filled with great runners, but it was also filled with good people who gave it their all every single day. Although we didn't qualify for the States this year, we came in sixth which proves that we have a bright future ahead of us.

The boys' team finished off the season with a 4-7 record. With the loss of last year's number 3, 4, and 5 runners, it seemed this year would prove to be a rebuilding year. However, with the addition of senior Gabe Speare, the return of senior co-captain Dan Swansey, and the hard work of senior Randy Griffith-Perham, the spots were quickly filled. Up front, junior Pat Vardaro and senior co-captain Tom Young we both named league all-stars and qualified for the All-State meet. Rounding out the 1997 varsity squad we seniors Pat Greene and Peenesh Shah, and freshman Andy Busler.

Golf

It was a rough season for the golf team as they struggled through a rebuilding period. The high point of the season came when the Mustangs slipped past Walpole by one stroke. It was a very surprising year for the team due to the playing of the underclassmen, who made up the heart of the team. The most consistent play came from Captain Joe Haberlin and sophomore Dom Rossi. The seniors would like to wish next year's team the best.

With coaching changes and the addition of Weymouth to the conference, the Boys' soccer team was out for a tough season. Although their record did not reflect their efforts, the team did have what proved to be a successful season. With three players being selected to the All-Star Team, and a competitive schedule, the soccer team was a substantial member of the League. Captains Mike Naughton and Joe Katchpole would like to thank all supporters and coaches Smith and Okaroh for their efforts. They would also like to wish next year's team the best of luck.

PASTE YOUR *OWN*

FAVORITE "LITTLE KID"

PICTURE HERE!

We all came together, way back in the day,
to the school on the hill, where our memories will stay.

We'll never forget all the times that we've shared
and we'll always remember those people who cared.

Now we move on, our futures await
we've finally crossed over , we've opened a gate.

And now that we have a new world to explore,
there's a new task ahead and a wide open door.

This is the time.....high school must end.
Good-bye Norwood High, you've been a good friend.

Girls' Tennis

Captain Kristen Pels, Coach Christopher Jean, Captain Ann Stepanek

We started this season as a new team, with only Ann Stepanek, Kristen Pels, Kate Albers, and Yena Cerda returning from the previous year. This core, helped by many newcomers, played to the best of their ability in a tough league. Under the direction of a new coach, the team came together and we improved individually. We leave thanks to our coach and hope for a successful season next year.
